Dear Madam,
Please check and circulate.

Department of **Computer Science & Engineering** and Dept. of **Information Technology**, had jointly successfully conducted 3 days SDP on "COMPUTER HARDWARE, NETWORKING, & MACHINE HANDLING", from 07th April to 9th April, 2021.

The motivation of the SDP was to enhance "HARDWARE, NETWORKING, & MACHINE HANDLING" of admin, library, and other office staff members of GNIT. The SDP envisioned providing prospects for the participants to replenish their computer knowledge strength and further their skilled development. The program was also intended to train admin and other office staff members with abilities and awareness in network handling, internet connectivity, google form creation, etc., which are very much in need in present day digital world.

The SDP was attended by 32 participants of various departments of the institute of JIS Group.

INAUGURAL SESSION:

The Covenor of the SDP, **Dr. Mahamuda Sultana, Associate Professor, Dept. of CSE, GNIT** welcomed all the participants and inaugurated the session. She highlighted the advantages of such an ingenious movement.

TECHNICAL SESSIONS:

Day I (07.04.2021):

Mr. Md. Mizan Chowdhury, Assistant Professor, Dept. of IT, GNIT delivered his talk on "Computer Fundamental and Overview of Operating System Computer Hardware".

Practical session was delivered by **Mr. Sinchan Mazumder** (System Administrator, GNIT) and **Mr. Koushik Halder** (JTA, Department of IT, GNIT).

Day II (08.04. 2021):

Mr. Krishnendu Chowdhury, Junior Technical Assistant, Dept. of CSE, GNIT presented lecture on computer network fundamentals. He mainly focused on "Computer Network and Troubleshooting" to acquaint the participants on basic knowledge on the computer network.

Practical session was delivered by **Mr. Krishnendu Chowdhury** and **Mr. Biswajit Chaki Choudhury** (Computer Maintenance, Dept. of CSE), where the network connectivity issues, troubleshooting, and network components were displayed and explained.

Day III (09.04.2021):

Mr. Krishnendu Chowdhury delivered his talk on the topic "Machine Handling & Internet Handling". In this session, the participants got to know how to connect to the internet connection on the computer and how to handle machines.

The technical session was delivered by **Mr. Krishnendu Chowdhury** and **Mr. Sinchan Mazumder** where the formation of google form, internet connectivity issues, etc were discussed.

The SDP ended with the Valedictory Speech by the Vice Chairman of the program, **Mr. Sudeep Ghosh, Assistant Professor and HoD, Dept. of IT, GNIT**. The **Vote of Thanks** was given by the Chairman of the program, **Dr. Sangeeta Bhattacharya, Assistant Professor and HoD, Dept. of IT, GNIT**.

Snapshots of the SDP are attached for your kind perusal.

With Regards,

Dr. SANGEETA BHATTACHARYA
