Dear Madam,
 /*PLEASE CHECK AND CIRCULATE*/

**Department of Computer Science and Engineering in collaboration with Institution
Innovation Council** has organized a Webinar on the topic entitled '**Prototype Validation:
Converting Prototype into a Start-Up**' on **19, June'21 from 12:00 to 1:15 PM**.

The distinguished Speaker of the webinar was **Mr. Sayantan Saha, Founder and CEO of
MEDERA GLOBAL. He is an alumni of CSE Department**. During the session, Mr. Sayantan
Saha shared about his journey into start-up. He discussed his experience from starting with a
prototype to convert it into a start-up idea to being a successful entrepreneur.

The webinar session was attended by around 77 participants including faculties, JTAs, and
students of various departments. The session was very much informative, lucid, and interactive.
According to participants' feedback, they have enjoyed this session and shown great interest to
attend this kind of webinar session in future.
